Mountain

The short story of 'The Descending Moon at the Foot of the Mountain'

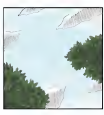
Prologue #0002

Son Jang - Won

But did the ghost child show up on that mountain?
Hah? Ah..
Yes, that's right! The ghost appeared here and on the road that leads to the mountain.

Huh?
The boulder is also here.

She doesn't have to follow us.
It's because you're following a stranger.



Hm...
Is there a big rock around here?

A big rock?
There must be some around this road. Why?
Sure thing, mister! We'll see if we go straight from here.

Look.

Do you know about Fairy Shuji?
No, not at all.

I'll know something like that. I wouldn't walk around like that.
I'm just digging some rocks out.
Then what's your job?
I thought that you dealt with fossils and are a geologist.

Yes. I used to be a geologist a long time ago.

...Now I have nothing to name myself.
Unemployed?

There are a few more people who do things like this.

The rock! It's there!

How is it?

This is a boulder stone. We have to find an outcrop.
Huh?

What's that?
Isn't that a rock? Something bigger than that.

A boulder stone is a rock which has fallen off. An outcrop is a rock that shows what is underneath the ground.

I think I sentenced.
.....

The rock which overlooks the village. It's something like that.
Is that the rock you were talking to? Is it different from other rocks?
Yeah.

What did you say? Besides stone? Strange? That stone, is there more in existing?

Let's see.

Are you here?

I have something to ask you. Please come out.

Is this person ok?

There.
STA Yonsu

I'm going to knock to see if you're in here.
